

Episode 10: A Conversation with...

Hello and thank you for listening! Earlier this month we met with Kathy Hsieh, Lori Matsukawa, and Matty Sythandone who shared their thoughts on life, art, and what it's like to be a part of the Pacific Northwest community. We'd like to specially thank [SIS Productions](#) as this episode would not have been possible without their assistance and support! Be sure to check out our social media, website, or youtube channel to learn more about past and future Mirror Stage happenings.
